

# SONGS OF THE SEASON

At the Peoples' Voice Cafe

Saturday • December 11, 2010

Doors open 7:30 PM • Program begins 8:00 PM

SONGS OF THE SEASON is an evening of songs, stories, and rituals that celebrate the arrival of winter and its associated festivals: Christmas, Hanukkah, Kwanzaa, Winter Solstice, and more. Every Northern Hemisphere culture has folklore that in the bleak winter celebrates life and love, drives dull care away, and promises that spring will indeed return. Come join us in our own Peoples' Voice Cafe four-part celebration led by Dr. Joyce Duncan, Mara Goodman, Heather Lev, and Heather Wood.

Peoples' Voice Cafe is located at
